 ASSESSMENT LIEN

STATE OF TEXAS §

COUNTY OF COMAL §

1. Proposal for County Improvement of Subdivision Roads and Assessment of Costs: On **April 21, 2005**, at a regularly scheduled meeting, the Commissioners Court of Comal County (hereinafter "Commissioners Court") determined that the improvement of the roads in **Arrowhead Village Subdivision** is necessary for the public health, safety, or welfare of the residents of Comal County. As such, the Commissioners Court proposed the roads be improved to comply with county road standards and assess all or part of the costs of the improvement pro rata against the record owners of the real property of the subdivision. TEX. TRANS. CODE § 253.003.
2. Notice & Public Hearing: On **April 27 and May 25, 2005**, the Commissioners Court published a notice of the proposed improvements and assessment in the New Braunfels Herald-Zeitung, which stated that the Commissioners Court would hold a public hearing on **June 2, 2005** to consider the proposed improvements and assessment. TEX. TRANS. CODE § 253.004. This public hearing was on or after the 31st day after the Commissioners Court published the first notice. TEX. TRANS. CODE § 253.004.
3. Ballot: On **June 8, 2005**, not later than the 10th day after the Commissioners Court held a public hearing as described above, the Commissioners Court, by certified mail, sent to each record owner of real property in the subdivision: (1) a ballot on whether the Commissioners Court shall order the improvements and assessment; and (2) an addressed stamped envelope for the return of the completed ballot to the county clerk. The ballot stated the maximum assessment that could be made against each property in the subdivision if a majority of the votes received favor of the proposition. TEX. TRANS. CODE § 253.006.
4. Results of Vote: On **June 30, 2005**, not later than the 30th day after the date of the public hearing described in paragraph 2, the Comal County Clerk tallied the returned ballots and declared the results to the Commissioners Court. On **June 30, 2005**, the Commissioners Court determined that a majority of the returned ballots were in favor of the improvements and assessments and thereby ordered the improvements and assess the costs of such against the real property owners of **Arrowhead Village Subdivision**. TEX. TRANS. CODE § 253.007.
5. Assessment of Costs/Terms: The Commissioners Court may provide the time, terms, and conditions of payment and default of an assessment. TEX. TRANS. CODE § 253.008.
 - a. Time: The assessment must be entirely paid by the property owner, named herein, within **15 years** of the date this Assessment Lien (hereinafter "Lien") is effective.
 - b. Terms: The assessment is due in annual installments in an amount defined in paragraph 6(c) below. The assessment will be reflected in a statement from the Comal County Tax Assessor-Collector.
 - c. Default: The property owner is presumed to be in default when the assessment is not paid according to the date and terms reflected in the statement from the Comal County Tax Assessor-Collector. Upon default,

at the option of Comal County, the entire amount then unpaid shall at once become due and collectible.

- d. Remedies: Comal County shall have the right to bring suit to foreclose the Lien at any time after the property owner defaults in paying the assessment. Failure of Comal County to bring a suit to foreclose the Lien shall not be deemed a waiver of the assessment or the enforceability of the Lien.

6. Lien:

- a. Property: This assessment is secured by a lien against the real properties identified in **Exhibit A attached to this lien and incorporated by reference**, and is effective on the date this Lien is filed for record in the office of the county clerk of the county in which the property is located.
- b. Property Owner: The property owners for the above-described Lots are reflected in **Exhibit B attached to this Lien and incorporated by reference**.
- c. Amount: The amount of the total and pro-rata assessments for the above-described Lots are reflected in **Exhibit C attached to this Lien and incorporated by reference**.
- d. Lien Status: This Lien is inferior only to a tax lien or mortgage lien recorded before the effective date of this assessment lien. TEX. TRANS. CODE § 253.009.

Signed this **August 1**, 2005.
