**Household hazardous waste collection set for Saturday**

**FOR IMMEDIATE RELEASE, AUGUST 19, 2015:**

*NEW BRAUNFELS* — Comal County and the City of New Braunfels are partnering to collect household hazardous waste from 8 a.m. to noon Saturday, Oct. 24, at 955 N. Walnut Ave. in New Braunfels (the former Albertson's building that will become the new city hall).

The event is open to all Comal County and New Braunfels residents. To verify residency, residents are asked to bring a picture ID with current address. The last car in line at noon will be the last to participate in the collection.

Participants should avoid mixing items and should transport them in their vehicle's trunk or bed. Trailer loads will not be accepted. When possible, items should be in their original, properly sealed, labeled containers, which cannot exceed five gallons for liquid wastes.

The following items are prohibited: ammunition, explosives, flares, fireworks, compressed natural gas cylinders, medical waste, pharmaceuticals, radioactive materials, commercial waste, tires, trash and electronics.

In the event of long wait times, participants are advised to bring drinking water and a small snack.
