DIY Saturday to focus on making fast food for slow cookers

FOR IMMEDIATE RELEASE, AUGUST 3, 2017:

NEW BRAUNFELS — The next DIY Saturday hosted by the Comal County office of the Texas A&M AgriLife Extension Service will be August 12, focusing on using slow cookers to make faster food.

The class will be 9-11 a.m. at the county's Extension Office, 325 Resource Drive, New Braunfels. The cost is \$15; supplies will be provided.

“With school starting and football season about to gear up, it’s hard for families to sit down over a home-cooked meal,” said Connie Sheppard, extension agent for family and consumer sciences. “Slow cookers might cook slowly, but they can help a family eat a quick meal.”

Attendees should register by calling 830-620-3440. Each class requires a minimum size, so attendees are encouraged to call ahead to make sure it still will be held.

The schedule for future DIY Saturdays is:

- Sept. 9, Sausage Making
- Oct. 14, Kids Day in the Garden
- Nov. 11, Traditions Start at Home
