County, city partner on household hazardous waste event

FOR IMMEDIATE RELEASE, JANUARY 20, 2017:

NEW BRAUNFELS — Comal County and the City of New Braunfels are partnering to provide a drop-off location for residents' household hazardous waste on Saturday, Feb. 18.

County residents can drop off items such as paint, gasoline, insecticide or bleach at New Braunfels City Hall, 550 Landa St., from 8 a.m. to noon. Participants should enter the parking lot from Laurel Lane.

To verify residency, residents are asked to bring a picture ID with current address. The last car in line at noon will be the last to participate in the collection.

Participants should not mix any items and transport them only in a car trunk or truck bed. When possible, items should be in their original, properly sealed, labeled containers, which cannot exceed five gallons for liquid wastes. To minimize wait times, trailer loads will not be accepted.

Prohibited items include ammunition, explosives, flares, fireworks, compressed natural gas cylinders, medical waste, pharmaceuticals, radioactive materials, commercial waste, tires, trash and electronics.

The Comal County Recycling Center, 281 Resource Drive, accepts tires, green waste and other recyclables. It is open from 8 a.m. to noon on Saturdays.

More information can be found at www.nbtexas.org/hhw.
