Ballot-by-mail applications for 2018 available Jan. 1

FOR IMMEDIATE RELEASE, DECEMBER 21, 2017:

NEW BRAUNFELS — Applications to submit a mail-in ballot for Comal County elections in 2018 will be accepted starting Jan. 1.

Residents wanting to vote by mail must submit a new application for each calendar year; applications submitted before Jan. 1 will not be approved, said Elections Coordinator Cynthia Jaqua.

“Voters who are disabled or at least 65 years old can submit an annual application to automatically receive a ballot by mail for each election that occurs in 2018,” Jaqua said. “Other residents can apply on an election-by-election basis no later than 11 days before Election Day.”

Aside from age or disability, residents may qualify to receive a mail-in ballot if they are in jail or expect to be absent from the county at the time of the election.

The deadline for the Elections Office to receive an application for the March 2018 primary election is Friday, Feb. 23.

Applications must be received by the early voting clerk of the county where a resident is registered to vote. They are available for download at the Comal County Elections Office website. www.votecomal.com, and can be submitted by mail or common or contract carrier to 396 N. Seguin Ave., New Braunfels, TX 78130.

Applications can also be submitted by fax to 830-608-2013, or by email to jaquac@co.comal.tx.us, but a hard copy must be received by the Elections Office within four business days; otherwise, the application will be rejected.
