### **Extension Office offers beekeeping workshop**

**FOR IMMEDIATE RELEASE, APRIL 3, 2018:**

*NEW BRAUNFELS* — To beekeep or not to beekeep? The Comal County office of the Texas A&M AgriLife Extension Service is offering a free workshop to help county residents answer that question.

The workshop, featuring local beekeeper Charlie Agar, owner of the Charlie Bee Company, will teach students the basics of beekeeping, said Troy Luepke, Comal County extension agent for agriculture and natural resources.

“Beekeeping is growing in popularity as a hobby and as a business,” Luepke said. “It can be fun, rewarding and a great way to sustain the environment. We’re excited to help Comal County residents interested in beekeeping learn more about how to do it.”

The workshop will be from 5:30-7 p.m. Monday, April 9, at the Comal County Extension Office, 325 Resource Drive, New Braunfels. To attend, R.S.V.P. to Janet Sweet at 830-620-3440 or [jlsweet@ag.tamu.edu](mailto:jlsweet@ag.tamu.edu).
