### **Comal, Guadalupe counties partner on childcare provider training**

**FOR IMMEDIATE RELEASE, SEPTEMBER 21, 2018:**

*NEW BRAUNFELS* — The Comal County office of the Texas A&M AgriLife Extension Service is partnering with its colleagues in Guadalupe County to host a childcare provider training conference, offering six hours of credit for childcare professionals.

The conference will be 8 a.m. to 3 p.m. Saturday, Oct. 6, at the Guadalupe County Extension Office, 210 E. Live Oak St., Seguin, TX 78155.

Registration for the conference is \$45 by Sept. 24 and \$60 until Oct. 4. Space is limited to 100 people, so attendees are encouraged to register early; no registrations will be accepted after Oct. 4. Attendees must register by sending the registration form and payment to the Guadalupe County office. The form can be found at [comal.agrilife.org/events](http://comal.agrilife.org/events). Call 830-620-3440 for more information.

“Our offices are looking forward to helping professional providers better care for our communities’ children while receiving the hours they need to maintain their state license,” said Connie Sheppard, family and community health agent for the Extension Office.

Sessions at the workshop include “Promoting Lifelong Nutrition” and “Promoting Positive Teacher/Child Interaction.”
