DIY Saturday to focus on pickling

FOR IMMEDIATE RELEASE, JUNE 26, 2019:

NEW BRAUNFELS — The county's Extension Office is offering Comal County residents a chance to get themselves in a pickle during its monthly DIY Saturday class.

Extension agent Connie Sheppard will teach students how to preserve a plethora of vegetables through the time-tested practice of pickling.

The class will be 9-11 a.m. July 13 at the Comal County office of the Texas A&M AgriLife Extension Service, 325 Resource Drive, New Braunfels. The cost of the class is \$15 per student.

“Whether you grow them yourself or buy them from the supermarket, pickling your veggies is a great way to make them last and still taste great,” Sheppard said.

Attendees can register for the classes and get more information by calling 830-620-3440. The class requires a minimum size, so students are encouraged to call ahead to make sure it will still take place.

The class schedule for the rest of 2019 is:

- Aug. 10: Lunch Ideas
- Sept. 14: Backyard Gardening
- Oct. 12: Kids Day in the Garden
- Nov. 9: Sausage Making
