COMAL COUNTY

HISTORICALLY UNDERUTILIZED BUSINESSES (HUB) POLICY

I. POLICY STATEMENT

The Comal County Commissioners Court, being the policy development and budgetary control unit of county government, will strive to ensure that all businesses, regardless of size, economic, social or ethnic status have an equal opportunity to participate in the County's procurement processes. The County is committed to promote full and equal business opportunity for all businesses to supply the goods and services needed to support the mission and operations of county government, and seeks to encourage the use of certified historically underutilized businesses (HUBs) through the use of race, ethnic and gender neutral means. It is the policy of Comal County to involve certified HUBs to the greatest extent feasible in the County's procurement of goods, equipment, services and construction projects while maintaining competition and quality of work standards. The County affirms the good faith efforts of firms who recognize and practice similar business standards.

II. DEFINITIONS

Certified HUBs includes business enterprises that meet the definition of a HUB and who meet the certification requirements of certification agencies recognized by Comal County.

Businesses include firms, corporations, sole proprietorships, vendors, supplier's contractors, subcontractors, professionals and other similar references when referring to a business that provides goods and/or services regardless of the commodity category.

III. POLICY GUIDELINES

- A. Comal County, its contractors, their subcontractors and suppliers, as well as all vendors of goods, equipment and services shall not discriminate on the basis of race, color creed, gender, age, religion, national origin, citizenship, mental or physical disability, veteran's status or political affiliation in the award and/or performance of contracts. All entities doing business or anticipating doing business with County shall support, encourage and implement affirmative steps toward a common goal of establishing equal opportunity for all citizens and businesses of the County.
- B. Comal County will use and recognize the State of Texas Historically Underutilized Business certification process in conjunction with the implementation of this policy. The County may recognize other agencies certifications processes recognized by the State of Texas. Comal County reserves the right to review the certification status of any vendor applying to do business with the County. The review will be accomplished to determine the validity and authenticity of the vendor's certification as a HUB.
- C. The Commissioners Court may establish HUB target goals. Through a systematic approach of soliciting quotes, bids and proposals from certified HUBs and in compliance with applicable state and federal law this policy will strive to meet those goals.
 1. Target goals should consider:
 - a. The availability of HUB firms within the specific category of goods or services to be procured; and
 - b. The diversity of the County's population.
 2. The goals should be reviewed and amended periodically.
 3. The program may apply to all County procurements including construction and professional services.
 4. Particular attention will be given to HUB participation on purchases in excess of the statutory bid limit.
 5. Commissioners Court will use good faith efforts to meet the goals of this policy.
- D. Comal County will actively seek and encourage HUBs to participate in all facets of the procurement process by:
 1. Utilize the State of Texas Historically Underutilized Business vendor database.
 2. Advertise bids on the County's website and in the local newspaper.
 3. Provide bid notice to minority Chambers of Commerce within Comal County, if applicable.

- E. As prescribed by law, the purchase of one or more items costing in excess of the statutory bid limit must comply with the competitive bid process. Where possible, those bids will be structured to include and encourage the participation of HUB firms in the procurement process.
- F. A HUB Policy statement shall be included in all specifications. The County will consider the bidder's responsiveness to the HUB Policy in the evaluation of bids and proposals. Failure to demonstrate a good faith effort to comply with the County's HUB policy may result in a bid or proposal being considered non-responsive to specifications.
- G. The Purchasing Department will actively search the State Comptroller's HUB vendor list in the quotation process for purchases under the statutory bid limit.

 - 3. The HUB Office will cooperate with other local government entities to increase HUB participation throughout the county and region. The HUB Office is encouraged to participate in educational and other outreach programs to assist HUB firms.
 - 4. Any complaints and/or recommendations regarding the implementation of this policy will be received and reviewed by the HUB Officer.
