When sent by mail, Federal Express, Express Mail, or other delivery service, sealed ITB's shall be enclosed in an additional envelope clearly identified on outside as a ITB to County with bidders/offerors name and address, ITB name, and ITB date and time. It is the sole responsibility of the bidder/offeror to ensure timely delivery of ITB. The ITB is timely delivered when it is actually received by the Purchasing Office on or before the "DUE DATE". You may call the Comal County Purchasing Office at (830)643-5850 to see if your response has been received.

ITB's which are received after the specified time and date will not be considered, and will be returned to the bidder/offeror unopened in accordance with state law. ITB's must be in the possession of the Purchasing Office by the time and date indicated above. The County will not be responsible for mail or delivery charges, or for changes associated with preparation of ITB or ITB materials.

NOTE: The Time-Date Stamp Clock located in the Comal County Purchasing Office, will serve as the **OFFICIAL CLOCK** for the purpose of verifying the date and time of receipt of bid/offer.

1.3 Please return the ITB package in a sealed envelope, marked with ITB title, ITB number and opening date.

1.4 Bids/Offers may be withdrawn at any time prior to the official opening. Alterations made before opening time must be initialed by bidder/offeror guaranteeing authenticity. After the official opening, bids/offers may not be amended, altered, or withdrawn without the recommendation of the Purchasing Office and the approval of Commissioners Court. All bids/offers become the property of the County and will not be returned to the bidder/offeror.

1.5 The County is exempt from federal excise and state sales tax; therefore, tax must not be included in the bid/offer.

1.6 TERM OF CONTRACT: Offeror will furnish the required services and products at the price quoted and will not raise the prices for the contract period, October 31, 2013 to October 31, 2014.

1.7 OPTION TO RENEW: This contract may be extended provided all terms and conditions, except for the contract period being extended or any price redetermination as authorized elsewhere in this contract, remain unchanged and in full force and effect. Option, if exercised, to be executed in the form of a Modification/Supplemental Agreement, to be issued not sooner than ninety (90) days prior to expiration of this contract, nor later than the final day of the contract period. This Option to Renew requires the mutual agreement in writing of both parties. Refusal by either party to exercise this Option to Extend shall require this contract to expire on the original or mutually agreed date. The normal extension period shall be one (1) year increments. The total period of this contract, including all extensions as a result of exercising this option may not exceed a maximum combined period of three (3) years.

1.8 The County reserves the right to accept or reject in part or in whole any bid/offer submitted, and to waive any technicalities for the best interest of the County.

1.9 Invoices shall be sent directly to the Comal County Auditor, 150 North Seguin Ave, Suite 201, New Braunfels, Texas 78130. Payments will be processed after notification that all materials have been delivered satisfactorily and no unauthorized materials have been delivered. The County may elect to pay invoices with procurement cards.

1.10 Continuing non-performance of the Vendor in terms of specifications shall be a basis for the termination of the contract by the County. The County shall not pay for supplies/services, which are unsatisfactory. County may give Vendor a reasonable opportunity before termination to cure the deficiencies. This, however, shall in no way be construed as negating the basis for termination for non-performance.

1.11 Quantities indicated in the ITB are estimated based upon the best available information. The County reserves the right to increase or decrease the quantities to meet its actual need without any adjustments in the ITB price.

1.12 The extension of this contract as provided above is contingent on the appropriation of necessary funds by Commissioners Court for the fiscal year in question. Upon the failure of Commissioners Court to so appropriate in any year, vendor may elect to terminate this agreement, with no additional liability to the County. County and Vendor agree that termination shall be Vendor's sole remedy under this circumstance.

1.13 The bid award shall be based on, but not necessarily limited to the following factors:

- A. Unit Price
- B. Total Price
- C. Special needs and requirements of Comal County
- D. Comal County's evaluation of vendor's ability

1.15 Prices bid/offered shall reflect the full Specifications/Statement of Work as defined per the ITB documents, inclusive of all associated costs for insurance, taxes, overhead, profit and bonding, if required and so identified.

Bidder/Offeror must include all incidental costs in his pricing. The County will not provide or allow for parking or travel reimbursements for the bidders/offers employees. Bidders/Offerors offices, administration and/or place of business will not be on the County premises and will be the bidders/offers responsibility. Only those costs shown on the Pricing/Delivery Sheet and confirmed by a purchase order will be paid.

It is also understood that any and all persons who provide services under Contract to the County, resulting from this ITB, shall be and remain employees of the Contractor, not the County. It is understood and agreed that the bidder/offeror is solely responsible for all services being provided and shall provide adequate insurance to cover against any and all losses incurred by the bidders/offers employees and or equipment during the course of the Contract.

This ITB in no manner obligates the County or any of its agencies to the eventual

purchase of any goods and/or service described, implied or which may be bid, until confirmed by a written Contract and purchase order. Progress toward this end is solely at the discretion of the County and may be terminated at any time prior to the signing of a Contract.

The County will not be liable for any costs incurred by the vendor in preparing a response to this ITB. The County makes no guarantee that any goods and/or services will be purchased as a result of this ITB, and reserves the right to reject any and all bids/offers. All bids/offers and their accompanying documentation will become the property of the County.

The bidder/offeror is expected to examine all documents, forms, specifications, and all instructions. Failure to do so will be at bidders/offerors risk.

1.16 ETHICAL CONDUCT: The bidder/offeror shall not offer or accept gifts or anything of value, not enter into any business arrangement with any employee, official, or Director of the County. 1.17 MINIMUM STANDARDS FOR RESPONSIBLE PROSPECTIVE BIDDERS/OFFERORS: A prospective bidder/offeror must affirmatively demonstrate bidder/offerors responsibility. A prospective bidder/offeror must meet the following requirements:

1. Have adequate financial resources, or the ability to obtain such resources as required;
2. Be able to comply with the required or proposed delivery schedule;
3. Have a satisfactory record of performance;
4. Have a satisfactory record of integrity and ethics; and
5. Be otherwise qualified and eligible to receive an award.

The County may request representation and other information sufficient to determine bidder/offerors ability to meet these minimum standards listed above.

1.18 Bidder/Offeror must provide any and all warranty terms and conditions. Bidder/Offeror Terms & Conditions are subject to the review and approval of the County. In the event of conflicting Terms & Conditions, the terms submitted in the solicitation package shall prevail. Bidder/Offeror must clearly identify any conflict with Terms & Conditions by denoting them on the same page where the conflicting Terms &

Conditions appear.

1.19 The bidder/offeror shall make himself familiar with and at all times shall observe and comply with all federal, state, and local laws, ordinances and regulations which in any manner affect the conduct of the work.

1.20 Payment shall not constitute an acceptance of the item(s) contained in this ITB, nor impair the County's right to inspect any of its remedies.

1.21 The price to be paid by the County shall be that contained in the Bid Specification/Bid Form, which the bidder/offeror warrants to be no higher than bidder/offerors current prices on orders by others for products of the kind and specification covered by this agreement for similar quantities under similar or like conditions and methods of purchase.

1.22 County reserves the right to select evaluation methods deemed most appropriate. Each ITB will be evaluated on a case-by-case basis, regardless of any previous evaluation method.

1.23 Whenever an article or material is defined by describing a proprietary product or by using the name of a manufacturer, the term "or equal" if not inserted shall be implied. The specific article or material shall be understood as descriptive, not restrictive.

1.24 Title and Risk of Loss of goods, supplies, equipment, or services shall not pass to County until County actually receives and takes possession of the goods, supplies, equipment, or services at the point(s) of delivery.

1.25 The bidder/offeror agrees that the goods, equipment, supplies, or services furnished under this contract shall be covered by the most favorable commercial warranties offered by the Offeror to any customer for such goods, equipment, supplies, or services. The Offeror shall not limit or exclude any express, written, or implied warranties and any attempt to do so shall render this contract voidable at the option of the County. The Offeror warrants that the product sold to the County shall conform to the standards promulgated by the U.S. Department of Labor under the Occupational Safety and Health Act of 1970.

1.26 All insurance requirements, including Worker's Compensation, General Liability, and all applicable insurance as outlined in Texas State Statutes, shall be met prior to any delivery or services rendered and shall remain in effect during the time of this

contract. Payments shall not become due and payable until such certificates have been filed.

1.27 The parties herein agree that this Contract shall be enforceable in Comal County, Texas, and if legal action is necessary to enforce it, exclusive venue shall lie in a court of competent jurisdiction in Comal County, Texas.

1.28 This Contract shall be governed by and construed in accordance with the laws of the State of Texas and all applicable Federal Laws.

1.29 This ITB, along with the Contract, submitted documents, and negotiations, when properly accepted and awarded by Comal County Commissioners Court shall constitute a contract equally binding between the successful bidder/offeror and County. No different or additional terms will become a part of this contract with the exception of a Change Order. This Contract embodies the complete agreement of the parties hereto, superseding all oral or written previous and contemporary agreements between the parties and relating to matters herein, and except as otherwise provided herein cannot be modified without written agreement of the parties.

1.30 The vendor shall indemnify and hold harmless the County and its duly appointed officers, agents and employees for all suits, actions, losses, damages, claims, or liability of any character, type, or description, including without limiting the generality of the foregoing all expenses of litigation, court costs, and attorney's fees for injury or death to any person, or injury to any property, received or sustained by any person or persons or property, arising out of, or occasioned by, the acts of vendor's officers, agents or employees.

1.31 If a court of competent jurisdiction determines that any term of this agreement is invalid or unenforceable to any extent under applicable law, the remainder of this agreement (and the application of this agreement to other circumstances) shall not be affected thereby, and each remaining term shall be valid and enforceable to the fullest extent permitted by law.

1.32 This Contract shall not be assignable by the vendor without prior written consent of the County. This agreement shall be binding on and inure to the benefit of the successors and assigns of the respective parties to this agreement.

1.33 If the vendor defaults in the performance of this contract or materially breaches any of its provisions County shall have the right to terminate this contract by giving

written notice of termination within thirty (30) days of the occurrence of the default or material breach.

1.34 INTER-LOCAL PARTICIPATION: It is hereby made a precondition of any bid/offer for a Contract for supplies or services and a part of these specifications, and that the submission of any bid/offer in response to this request constitutes a bid/offer made under the same conditions, for the same price, and for the same effective period as this bid/offer, to any other governmental entity having an interlocal agreement with Comal County.
