1. I downloaded the specs/plans off Comal County Website. The plans are difficult to decipher due to poor copy quality. Will new plans be provided? **A PDF version that is more legible and provides additional details to address question 4 below has been posted to the County's website, and is included with this response.**
2. All pages are not stamped by an engineer. Will a stamped set be provided? **The specifications are sealed, the parking lot layout is sealed, the CZP sheet is sealed. The other sheet shows the staking points that are located in the field.**
3. Will a plan sheet be provided showing the cross section of the parking lot? **See Technical Specifications Sections 3.0 through 8.0.**
4. It appears more is needed to point out exactly what is existing and what is to be installed. Can this be provided? **See Specification 1.9.**
5. Will a pre-bid be held? **One was not called for.**
