

OFFICE OF COUNTY PURCHASING

**BID 2014-106A
MATERIAL RECOVERY FACILITY
Q&A**

Q: Can we view the site to see the bales? And the loose materials?

A: No. There is not sufficient time before the bid due date to arrange a tour of the facility. Photos have been included to help visualize the site.

Q: Will the County consider a flexible price offer based on market fluctuation for the duration of the contract? If so, is a separate price sheet to explain our offer acceptable?

A: No. Bid 2014-106A is a bid for a firm fixed price for the contract period.
