TERMS & CONDITIONS

The parties, Comal County, Texas, a political subdivision of the State of Texas, (hereinafter referred to as "County") and _____ (hereinafter referred to as "Vendor," "Offeror," or "Bidder"), hereby agree upon the following terms and conditions.

1.1. Bids/Offerors are solicited for furnishing TRAFFIC CONTROL SUPPLIES, MATERIALS, AND EQUIPMENT for the Comal County Road Department as per specifications in this Invitation to Bid (ITB).

1.2. Complete ITB's shall be received in the Comal County Purchasing Department, 1297 Church Hill Dr., New Braunfels, Texas 78130 no later than 2:00 P.M. on September 17, 2015. Bids/Offerors will be opened at approximately 2:00 P.M. on September 17, 2015 in the Comal County Purchasing Office.

When sent by mail, Federal Express, Express Mail, or other delivery service, sealed ITB's shall be enclosed in an additional envelope clearly identified on outside as a ITB to County with bidders/offerors name and address, ITB name, and ITB date and time. It is the sole responsibility of the bidder/offeror to ensure timely delivery of ITB. The ITB is timely delivered when it is actually received by the Purchasing Office on or before the "DUE DATE". County will not be responsible for failure of service on the part of the U.S. Postal Service, courier services, or any other form of delivery service chosen by the bidder/offeror. You may call the Comal County Purchasing Office at (830)643-5850 to see if your response has been received.

ITB's which are received after the specified time and date will not be considered, and will be returned to the bidder/offeror unopened in accordance with state law. ITB's must be in the possession of the Purchasing Office by the time and date indicated above. The County will not be responsible for mail or delivery charges, or for changes associated with preparation of ITB or ITB materials.

NOTE: The Time-Date Stamp Clock located in the Comal County Purchasing Office, will serve as the OFFICIAL CLOCK for the purpose of verifying the date and time of receipt of bids/offer.

Please return the ITB package in a sealed envelope, marked with ITB title, ITB number and opening date.

1.3. Bids/Offerors may be withdrawn at any time prior to the official opening. Alterations made before opening time must be initialed by bidder/offeror guaranteeing authenticity. After the official opening, bids/offerors may not be amended, altered, or withdrawn without the recommendation of the Purchasing Office and the approval of Commissioners Court. All bids/offerors become the property of the County and will not be returned to the bidder/offeror.

1.4. The County is exempt from federal excise and state sales tax; therefore, tax must not be included in this bid.

1.5. TERM OF CONTRACT: Bidder/Offeror will furnish the required services and products at the price quoted and will not raise the prices for the contract period, October 1, 2015 to September 30, 2016.

1.6. OPTION TO RENEW: This contract may be extended provided all terms and conditions, except for the contract period being extended or any price redetermination as authorized elsewhere in this contract, remain unchanged and in full force and effect. Option, if exercised, to be executed in the form of a Modification/Supplemental Agreement, to be issued not sooner than ninety (90) days prior to expiration of this contract, nor later than the final day of the contract period. This Option to Renew requires the mutual agreement in writing of both parties. Refusal by either party to exercise this Option to Extend shall require this contract to expire on the original or mutually agreed date. The normal extension period shall be one (1) year increments. The total period of this contract, including all extensions as a result of exercising this option may not exceed a maximum combined period of three (3) years.

1.7. ECONOMIC ADJUSTMENTS: Due to the volatility of the market, the County will review the costs of materials at annually for the one (1) year Option to Renew period as defined in this Contract under Section 1.7. The Vendor will be required to submit an affidavit at the one (1) year interval substantiating that the increase represents the cost for services or materials and in no way represents an increase of profits, labor or other overhead. The Vendor must justify its request for an increase by submitting evidence from the suppliers detailing the price changes, the effective date for change and any other information requested by the County to verify the price change. Conversely, if costs in services or materials decrease, the same amount of decrease shall be immediately passed on to the County. The County may request information to verify pricing throughout the term of the contract. Any product delivered to or picked up by the County at the proposed new price without a properly executed statement is made at the Vendor's risk. Consequently, in the event that such statement or affidavit is not received and approved by the County, the Vendor hereby releases the County from any and all liability whatsoever to pay for delivered materials at the new price prior to the Vendor's notification to the County. All increases will be subject to approval by Commissioners Court.

1.9. The County reserves the right to accept or reject in part or in whole any bid/offer submitted, and to waive any technicalities for the best interest of the County.

1.10. Invoices shall be sent directly to the Comal County Auditor, 150 North Seguin, Suite 201, New Braunfels, Texas 78130 or electronically to gonzan@co.comal.tx.us. Payments will be processed after notification that all materials have been delivered satisfactorily and no unauthorized materials have been delivered. The County may elect to pay invoices with a procurement card.

1.11. Continuing non-performance of the Vendor in terms of specifications shall be a basis for the termination of the contract by the County. County shall not pay for supplies/services which are unsatisfactory. County may give Vendor a reasonable opportunity before termination to

correct the deficiencies. This, however, shall in no way be construed as negating the basis for termination for non-performance.

1.12. Quantities indicated in the ITB are estimated based upon the best available information. County reserves the right to increase or decrease the quantities to meet its needs without any adjustment in the ITB price.

1.13. The extension of this contract as provided above is contingent on the appropriation of necessary funds by Commissioners Court for the fiscal year in question. Upon the failure of Commissioners Court to so appropriate in any year, Vendor may elect to terminate this agreement, with no additional liability to the County. County and Vendor agree that termination shall be Vendor's sole remedy under this circumstance.

1.14. The bid award shall be based on, but not necessarily limited to the following factors:

- A. Unit price;
- B. Total price;
- C. Special needs and requirements of Comal County;
- D. Comal County's evaluation of Vendor's ability;
- E. Vendor's past performance record with any Texas county.

1.15. All bids/offers inclusive of pricing shall remain firm for acceptance for a period of thirty (30) days from opening date unless otherwise specified by the County.

1.16. Prices bid/offered shall reflect the full Specifications/Statement of Work as defined per the ITB documents, inclusive of all associated costs for insurance, taxes, overhead, profit and bonding, if required and so identified.

Bidder/Offeror must include all incidental costs in his pricing. The County will not provide or allow for parking or travel reimbursements for the bidders/offers employees. Bidders/Offerors offices, administration and/or place of business will not be on the County premises and will be the bidders/offers responsibility. Only those costs shown on the Pricing/Delivery Sheet and confirmed by a purchase order will be paid.

It is also understood that any and all persons who provide services under Contract to the County, resulting from this ITB, shall be and remain employees of the Contractor, not the County. It is understood and agreed that the bidder/offers is solely responsible for all services being provided and shall provide adequate insurance to cover against any and all losses incurred by the bidders/offers employees and or equipment during the course of the Contract.

This ITB in no manner obligates the County or any of its agencies to the eventual purchase of any goods and/or service described, implied or which may be bid, until confirmed by a written Contract and purchase order. Progress toward this end is solely at the discretion of the County and may be terminated at any time prior to the signing of a Contract.

The County will not be liable for any costs incurred by the vendor in preparing a response to

this ITB. The County makes no guarantee that any goods and/or services will be purchased as a result of this ITB, and reserves the right to reject any and all bids/offers. All bids/offers and their accompanying documentation will become the property of the County.

The bidder/offeror is expected to examine all documents, forms, specifications, and all instructions. Failure to do so will be at bidders/offerors risk.

1.17. **ETHICAL CONDUCT:** The bidder/offeror shall not offer or accept gifts or anything of value, not enter into any business arrangement with any employee, official, or Director of the County. No public official shall have interest in this Contract, in accordance with Texas Local Government Code Annotated Title 5, Subtitle C, Chapter 171.

The bidder/offeror affirms that the only person or parties interested in this bid/offer as principals are those named herein, and that this bid/offer is made without collusion with any other person, firm, or corporation.

1.18. **MINIMUM STANDARDS FOR RESPONSIBLE PROSPECTIVE BIDDERS/OFFERORS:** A prospective bidder must affirmatively demonstrate bidder/offerors responsibility. A prospective bidder/offeror must meet the following requirements:

1. Have adequate financial resources, or the ability to obtain such resources as required;
2. Be able to comply with the required or proposed delivery schedule;
3. Have a satisfactory record of performance;
4. Have a satisfactory record of integrity and ethics; and
5. Be otherwise qualified and eligible to receive an award.

The County may request representation and other information sufficient to determine bidder/offeror ability to meet these minimum standards listed above.

1.19. Bidder/Offeror must provide any and all warranty terms and conditions. Bidder/Offeror Terms & Conditions are subject to the review and approval of the County. In the event of conflicting Terms & Conditions, the terms submitted in the solicitation package shall prevail. Bidder/Offeror must clearly identify any conflict with Terms & Conditions by denoting them on the same page where the conflicting Terms and Conditions appear.

1.20. The bidder/offeror shall make himself familiar with and at all times shall observe and comply with all federal, state, and local laws, ordinances and regulations which in any manner affect the conduct of the work.

1.21. **HAZARDOUS SUBSTANCES:** State law requires that shipments of hazardous substances shall include SAFETY DATA SHEETS (SDS). SDS must be supplied with the first order shipped under any contract, and at any time SDS is revised.

1.22. Payment shall not constitute an acceptance of the item(s) contained in this ITB, nor impair the County's right to inspect any of its remedies.

1.24. County reserves the right to select evaluation methods deemed most appropriate. Each ITB will be evaluated on a case-by-case basis, regardless of any previous evaluation method.

1.25. Whenever an article or material is defined by describing a proprietary product or by using the name of a manufacturer, the term "or equal" if not inserted shall be implied. The specific article or material shall be understood as descriptive, not restrictive.

1.26. Title and Risk of Loss of goods, supplies, equipment, or services shall not pass to County until County actually receives and takes possession of the goods, supplies, equipment, or services at the point(s) of delivery.

1.27. The bidder/offeror agrees that the goods, equipment, supplies, or services furnished under this contract shall be covered by the most favorable commercial warranties offered by the bidder/offeror to any customer for such goods, equipment, supplies, or services. 1.33. If a court of competent jurisdiction determines that any term of this agreement is invalid or unenforceable to any extent under applicable law, the remainder of this agreement (and the application of this agreement to other circumstances) shall not be affected thereby, and each remaining term shall be valid and enforceable to the fullest extent permitted by law.

1.34. This Contract shall not be assignable by the vendor without prior written consent of the County. This agreement shall be binding on and inure to the benefit of the successors and assigns of the respective parties to this agreement.
