**BID 2015-430
CATTLE GUARD REPLACEMENTS – REBECCA CREEK ROAD
Questions & Answers**

- 1) Will the new cattle guards require a galvanized finish, as stated on plan sheet 11 of 12 or a paint finish as stated as a possibility on plan sheet 12 of 12?

A = The paint spec is an alternative to the galvanized finish. In other words, provide a cost for galvanizing and the paint spec as an alternate for consideration by the County.
