BID GUARANTY: Enclosed with this Bid is a bid guaranty meeting the requirements established in Section 200, in the amount of not less than five percent (5%) of the total Bid. Following the Bid opening, submitted Bids may not be withdrawn for a period of (90) Calendar Days. Award of Contract will occur within this period, unless mutually agreed between the parties. The bid guaranty may become the property of the OWNER, or the OWNER may pursue any other action allowed by law, if: bidder withdraws a submitted Bid within the period stated above; bidder fails to submit the required post bid information within the period specified in Section 100, or any mutually agreed extension of that period; or bidder fails to execute the Contract and furnish the prescribed documentation (bonds, insurance, etc.) needed to complete execution of the Contract within ten (10) calendar days after notice of award, or any mutually agreed extension of that period.

TIME OF COMPLETION: The undersigned bidder agrees to commence work within ten (10) calendar days after written notice as specified in a written "Notice to Proceed" to be issued by the OWNER and to **finally** complete construction of the improvements, as required by the Bid Documents and Addenda for the Work within one hundred eighty (180) **Calendar** days after the date of the written "Notice to Proceed." The bidder further agrees that should the bidder fail to **finally** complete the Work within the number of days indicated in the Bid or as subsequently adjusted, bidder shall pay the liquidated damages for each consecutive day thereafter as provided below; unless the OWNER elects to pursue any other action allowed by law.

LIQUIDATED DAMAGES: The bidder understands and agrees that the timely completion of the described Work is of the essence. The bidder and the OWNER agree that for each and every Calendar Day the Work or any portion thereof, remains incomplete after the **Final** completion date as established by the first sentence of the above paragraph, "Time of Completion," the bidder shall pay the amount of five hundred dollars (\$500) per Calendar Day as liquidated damages, not as a penalty, but for delay damages to the OWNER. At Comal County's discretion, in the event of default in performance, the bidder agrees to pay OWNER all costs, expenses, fines, fees, and charges associated with obtaining performance from alternative sources, including shipping, transportation, handling, materials, equipment rental, travel, mileage, per-diem, lodging, and associated costs. The only excuse from performance shall be Force Majeure and legitimate weather delays upon submittal of adequate documentation and written evidence that such defense exists. Such amount shall be deducted by the OWNER from any payment due to the bidder. In the event of a default or breach by the bidder and demand is made upon the surety to complete the reject, in accordance with the Bid Documents, the surety shall be liable for liquidated damages.
