Mass Mail Our of Voter Registration Certificate Renewals

The Comal County Elections Office began mailing out the new voter registration certificates this week. New certificates are mailed every two years to all registered voters.

The new certificates are yellow and are valid from January 1, 2018, through December 31, 2019. They replace the blue voter registration certificates, which expire on December 31, 2017.

Voters are encouraged to check the information on their new certificates for accuracy and retain for upcoming elections.

Corrections, if necessary, may be made on the back of the card, signed, and returned to our office.

Any person who has moved, had a name change, or been previously registered in Comal County and does not receive a new voter registration certificate by the end of this month should contact our office.

Voters who are placed on the "suspense list" are subject to having their voter registration canceled if their records are not updated within two federal general elections.

Please contact the Comal County Elections Office at 830-221-1352 should you have any questions regarding your voter registration certificate.
