October 2011 “Domestic Violence Awareness Month”

Whereas: Domestic violence is a pattern of assaultive and coercive behaviors, including physical, psychological, sexual, social isolation, stalking, and economic abuse that individuals use to maintain power and control over their intimate partners; and

Whereas: Domestic Violence is the single largest cause of injury and homicide for women; and

Whereas: Children who are exposed to domestic violence experience feelings of terror, isolation, guilt, helplessness, and grief. They have a higher risk of engaging in criminal behavior, substance abuse and becoming victims of crime in the community; and

Whereas: Teen Dating Violence is becoming more prevalent in our society and we must seek measures to better educate our youth on healthy morals and relationships.
