

Community Supervision and Corrections Department

Serving the Courts and Communities of Caldwell, Comal and Hays Counties

Eddie Lozoya – Deputy Director

Eugene Garza - Supervisor

160 E. Bridge ~ New Braunfels, Texas 78130 ~ (830) 221-1160 ~ Fax (830) 608-2029

DEAR DEFENDANT:

_____ You have been ordered by the Court not to operate a motor vehicle unless the vehicle is equipped with a device that uses a deep lung breath analysis mechanism to make impractical the operation of the motor vehicle if ethyl alcohol is detected in the breath of the operator.

_____ You have been ordered by the Court to install an In-Hom or portable device to detect ethyl alcohol in the breath of the operator.

_____ You have been ordered by the Court to install the SCRAM device, an electronic monitoring system, used to test for alcohol.

The above device must be installed within _____ of today's date. The deep lung device must be installed prior to operating any motor vehicle. Verification of installation must be submitted to your Officer in Comal County.

Listed below are some companies that provide this service in the area. You are responsible for all required costs connected with this service.

If a defendant is required to operate a motor vehicle in the course and scope of the defendant's employment and if the vehicle is owned by the employer, the defendant may operate that vehicle without installation of an approved ignition interlock device if the employer has been notified of that driving privilege restriction and if proof of that notification is with the vehicle. The employment exemption does not apply if the business entity that owns the vehicle is owned or controlled by the defendant.
