

COMAL COUNTY HISTORICAL COMMISSION

The primary purpose of the Comal County Historical Commission shall be to initiate and conduct programs suggested by the Comal County Commissioners Court and the Texas Historical Commission for the preservation of the historical heritage of Comal County. This includes a continuing survey focusing on the retention, conservation and preservation of historical buildings and other historical sites, private collections of historical memorabilia, or other historical features within Comal County, and to report the information collected to the Comal County Commissioners Court and the Texas Historical Commission. This includes documentation of historic resources shall help promote a better understanding of the County's cultural heritage.

Other objectives include helping promote the aims and goals of the Texas Historical Commission in Comal County including support for the Commission's Texas Historical Marker Program and National Register Program in Comal County; encouraging cooperation among various historic, heritage and conservation groups and those individuals interested in preserving Comal County's historic resources; and encouraging interest and participation in preservation activities throughout Comal County by promoting the educational and economic benefits derived from the conservation of our cultural resources.
