

RESOLUTION NO. 2023-06

STATE OF TEXAS

§

IN THE COMMISSIONERS COURT

COUNTY OF COMAL

§

RESOLUTION OF SUPPORT FOR REGIONAL TRANSPORTATION PROJECT

WHEREAS, Comal County, Texas and neighboring counties have been documented by the U.S. Census Bureau as one of the fastest growing areas in the United States; and

WHEREAS, Comal County supports transportation strategies and projects to manage this rapid growth and development; and

WHEREAS, Comal County supports projects to relieve congestion on SH 46, FM 725, and FM 1044, including the expansion of SH 46 between New Braunfels and Seguin with improvements and direct connectors at the intersection of SH 46 and IH-35, a connector between SH 46 West and IH-35 in Comal County and I-10 in Guadalupe County, and a connector between IH-35 in Comal County and SH 130 in Guadalupe County; and

WHEREAS, projects will be developed in partnership with neighboring communities, regional county and city officials, Texas Department of Transportation, Alamo Area Metropolitan Planning Organization, and other community stakeholders; and

WHEREAS, these transportation projects will likely use existing and new roadway alignments, which directly impact local communities; and

WHEREAS, because of the potential impact on local communities, plans for these projects should provide for, among other things, local transportation needs, local access, local economic development opportunities, and connectivity considerations for local users.

NOW, THEREFORE, BE IT RESOLVED that the Comal County Commissioners Court, duly convened and acting in its capacity as the governing body of Comal County hereby calls for planning and implementation of a connector between IH-35 and SH 130 in Comal and Guadalupe counties, a connector between SH 46 West and IH-35 in Comal County and I-10 in Guadalupe County, expansion of SH 46 between New Braunfels and Seguin with direct connectors at the intersection of SH 46 and IH-35, and improvements to FM 725 and FM 1044; and

BE IT FURTHER RESOLVED, that where practicable and feasible, consideration be given to using current roadway alignments to minimize the impact to local landowners and businesses.

PASSED AND APPROVED this 30th day of March 2023.
