Council of Governments road show in Comal County Nov. 7

FOR IMMEDIATE RELEASE, OCTOBER 29, 2015:

NEW BRAUNFELS — Comal County and the cities of Bulverde and New Braunfels will welcome the Alamo Area Council of Governments (AACOG)’s traveling road show to New Braunfels on Saturday, Nov. 7, 1-4 p.m.

The come-and-go community outreach event at the Westside Community Center, 2932 IH-35 frontage road, will feature information about AACOG programs available to county residents such as the Alamo Area Agency on Aging, Alamo Regional Transit, the council’s Weatherization Assistance Program, services for veterans and their families (including Call-A-Ride 4 Veterans), natural resources/air quality, and Resource Recovery.

“We encourage everyone to come learn more about the services AACOG offers,” said Tiffany Harris, AACOG Public Relations Coordinator. They can visit with us and our wonderful partner organizations, ask questions and even apply for services at the event. We will also have great giveaways, door prizes and refreshments, and WellMed will provide blood pressure, glucose screenings and health information.”
