County receives top recognition for financial reporting

FOR IMMEDIATE RELEASE, NOVEMBER 30, 2017:

NEW BRAUNFELS — Comal County has received a certificate of achievement for Excellence in Financial Reporting by the professional association representing government finance officials from across the country.

The Government Finance Officers Association has given Comal County its highest form of recognition for the county's commitment to "clearly communicate its financial story," according to a GFOA statement.

"This certificate represents the commitment Comal County has to preparing comprehensive annual financial reports that present both transparency and full disclosure," said County Auditor Jesse Rahe.

The GFOA provides the certificate annually to public entities based on their comprehensive annual financial reports (CAFRs). Comal County, which submits its CAFR by June 30 each year, has received a certificate of achievement annually since 1992.
