Extension Office invites residents to Explore 4-H during DIY Saturday

FOR IMMEDIATE RELEASE, AUGUST 7, 2018:

NEW BRAUNFELS — The next DIY Saturday hosted by the Comal County office of the Texas A&M AgriLife Extension Service will be Aug. 11, inviting residents to learn more about the county's 4-H club.

The class will be 9-11 a.m. at the county's Extension Office, 325 Resource Drive, New Braunfels. The cost is free.

"4-H is a terrific way for kids ages 5 and up to learn about their world and themselves, make friends, grow their confidence, and learn how to push themselves to achieve great things," said Victoria Grissom, 4-H coordinator for the Extension Office. "This month's DIY Saturday is a low-stress way for parents and children to explore everything 4-H has to offer."

Attendees should register by calling 830-620-3440. Each class requires a minimum size, so attendees are encouraged to call ahead to make sure it still will be held.

The schedule for future DIY Saturdays is:

- Sept. 8, Backyard Chickens/Eggs 101
- Oct. 13, Kids Day in the Garden
- Nov. 10, Wreath Making
