### **Extension Office to teach wreath making for DIY Saturday**

**FOR IMMEDIATE RELEASE, NOVEMBER 2, 2018:**

*NEW BRAUNFELS* — The last DIY Saturday of 2018 hosted by the Comal County office of the Texas A&M AgriLife Extension Service will be Nov. 10, focusing on wreath making.

The class will be 9-11 a.m. at the county's Extension Office, 325 Resource Drive, New Braunfels. The cost is \$15 per person, and it must be prepaid so the office can purchase supplies before the class. The office accepts exact change or checks made out to the Comal Program Council.

The deadline to register and pay the class tuition is Wednesday, Nov. 7.

“You don't have to buy an expensive wreath from the store to get your front door into the spirit of the season,” said Krystal Snider, Comal County extension agent for health education. “Let us teach you how you can make fun and festive wreaths all year long.”

Attendees should register by calling 830-620-3440. Each class requires a minimum size, so attendees are encouraged to call ahead to make sure it still will be held.

DIY Saturdays will resume in January.
