Workshop to teach residents cheesemaking

FOR IMMEDIATE RELEASE, JULY 11:

NEW BRAUNFELS — The Comal County office of the Texas A&M AgriLife Extension Service is offering Bulverde-area residents a chance to make their own cheese with a workshop at the local library.

The free workshop will be 1-3 p.m. Tuesday, July 16, at the Mammen Family Public Library, 131 Bulverde Crossing.

Extension agent Connie Sheppard will teach attendees how to make their own cheese, including mozzarella, and provide recipes.

“Making your own cheese is easier than many people think, and it saves money,” Sheppard said. “This is a great opportunity to learn something new this summer.”

To register for the workshops, visit the Mammen Family Library website, mfplibrary.libcal.com/event/5303200.
