### **Extension Office welcomes families for Kids Day in the Garden**

**FOR IMMEDIATE RELEASE, SEPTEMBER 30, 2019:**

*NEW BRAUNFELS* — The Comal County Extension Office’s monthly DIY Saturday series is taking a brief hiatus to welcome families for Kids Day in the Garden, a free open house featuring storytime, hands-on activities, a hay ride and more.

The event will be 9-11 a.m. Saturday, Oct. 12, at the county’s Extension Office, 325 Resource Drive, New Braunfels. Residents can call 830-620-3440 for more information.

“With the weather hopefully cooling off, it’s time for kids to get outside and explore the beauty and wonder of the garden,” said Connie Sheppard, extension agent for family and community health. “We’re excited to open ours and invite the whole family for hands-on activities, hayrides, crafts, stories and games.”

The final DIY Saturday of the year will be on Nov. 9, focusing on sausage making.
