DIY Saturday to focus on sausage making

FOR IMMEDIATE RELEASE, OCTOBER 30, 2019:

NEW BRAUNFELS — The Comal County office of the Texas A&M AgriLife Extension Service's next DIY Saturday class will celebrate the season with a workshop on sausage making.

Connie Sheppard, extension agent for family and community health, will provide tips and tricks for making tasty, zesty sausage.

The class will be 9-11 a.m. Nov. 9 at the county's Extension Office, 325 Resource Drive, New Braunfels. The cost of the class is \$15 per student.

“Whether as an appetizer or the main dish, it wouldn't be fall without Hill Country sausage,” Sheppard said. “This is a great opportunity to add an all-time classic to your cooking repertoire.”

Attendees can register for the classes and get more information by calling 830-620-3440. The class requires a minimum size, so students are encouraged to call ahead to make sure it will still take place.

This will be the last DIY Saturday of 2019; classes will resume in January.
