Recycling Center to accept live Christmas trees, garland

FOR IMMEDIATE RELEASE, DECEMBER 26, 2019:

NEW BRAUNFELS — Comal County residents can drop off their used live Christmas trees and holiday garland free of charge at the Moe Schwab Recycling Center beginning Dec. 26.

The center, at 281 Resource Drive northwest of New Braunfels, will accept any used holiday greenery through Jan. 17, said James Tart, recycling director.

“We only ask that residents only bring live – not artificial – trees and garland, and that they remove tree stands, tinsel, ornaments and other decorations before bringing them for recycling,” Tart said. “We’re happy to accept your greenery and mulch it rather than see it go into a landfill.”

All other brush will continue to be subject to the center’s usual recycling fees, which can be found at www.comalcountytexas.com/rec.htm. The center is open 7 a.m. to 3 p.m. Tuesdays through Fridays and 8 a.m. to noon on Saturdays, but will be closed on New Year’s Day.
