There are an additional eight COVID-19 recoveries in Comal County. The total recovered is 3,312.

The county now has 101 active confirmed and probable COVID-19 cases. Of them, nine are hospitalized.

On Wednesday, Comal County hospitals reported caring for eight COVID-19 patients; of those, four are in intensive care and one is on a ventilator. Not all of these patients are necessarily county residents; likewise, not all county residents hospitalized with COVID-19 are in Comal County hospitals.

As of Wednesday morning, Public Health has received reports of the following test information:

- 25,789 tests conducted
- 2,766 confirmed cases
- 763 probable cases

**The seven day positivity rate for Wednesday in Comal County is 8.69%.**

Of the 3,529 confirmed and probable COVID-19 cases in Comal County, the location breakdown is:

Location:	Number of cases total:
New Braunfels (Includes Eastern and Central Comal Co.)	2,645
Western Comal County (Includes Bulverde and Spring Branch)	494
South of Canyon Lake	166
North of Canyon Lake	104

Fair Oaks Ranch	12

Residents wishing to be tested for COVID-19 can call the county's dedicated hotline, 830-221-1120, between 8 a.m. and 5 p.m. Monday through Friday.

### **Probable case definition**

“Probable cases” is a category established by the Texas Department of State Health Services to describe those who do not have a positive PCR test for COVID-19, but meet two of the following three criteria:

- A positive quick-result antigen test
- Experiencing COVID-19 symptoms
- Close contact with a confirmed positive COVID-19 case

A probable case is treated identically to a confirmed case and counts toward the county's positivity rate and total case tally.
