Extension offers free car seat checkup at Canyon Lake

FOR IMMEDIATE RELEASE, FEBRUARY 10, 2020:

NEW BRAUNFELS — The Comal County Extension Office will offer free car seat checkups to anyone who visits Tye Preston Memorial Library at Canyon Lake between 9 a.m. and noon Tuesday, Feb. 18.

Residents can bring their kids, and a certified car seat technician will make sure car seats – and children – are installed correctly. Make sure you know your child's height and weight.

“There’s nothing more important than protecting our children, but studies have shown that more than 80% of car seats are installed incorrectly,” said Connie Sheppard, Comal County extension agent for family and community health. “We’re happy to provide this service for our community.”

No reservations are needed. Tye Preston Memorial Library is at 16311 S. Access Road, Canyon Lake.
