Comal County confirms three more cases of COVID-19, total of 15

FOR IMMEDIATE RELEASE, APRIL 2, 2020:

NEW BRAUNFELS — Comal County has confirmed three more cases of COVID-19 for a total of 15.

All three are from western Comal County – one in Fair Oaks Ranch and two in the Bulverde area. One of the patients, a Bulverde resident in their 80s, is hospitalized outside of the county; the other two, both in their 50s, are self-quarantined.

The hospitalized patient did not leave the county before becoming symptomatic but did have recent contact with people who had traveled. The other two remain under investigation.

“We know COVID-19 is spreading in our community, and regardless of the details of how each individual contracted it, we all need to be following the governor’s orders by staying home and maintaining social distancing measures,” said Cheryl Fraser, Comal County director of public health.

As of Thursday morning, Comal County’s Office of Public Health has received reports of the following test information:

- 186 tests conducted
- 15 positive tests
- 108 negative tests
- 63 results still pending

Information about COVID-19, as well as coronavirus-related county office closures and restrictions, is available at www.comalcountytexas.com/covid19.

Residents with questions or concerns about the novel coronavirus can call the county’s dedicated COVID-19 hotline, 830-221-1120, between 8 a.m. and 5 p.m. Monday through Friday.
