Recycling Center green waste bag fees waived through May 16

FOR IMMEDIATE RELEASE, MAY 7, 2020:

NEW BRAUNFELS — Fees for dropping off bags of green waste at the Moe Schwab Recycling Center have been waived through May 16 for all Comal County residents.

The action, approved by Commissioners Court April 30, will allow New Braunfels residents to continue recycling their green waste while the city's curbside pickup is suspended because of coronavirus concerns, as well as residents outside of the city who have been doing extra yard and landscaping work while complying with stay-at-home orders.

The fee waiver only applies to biodegradable paper bags designed for green waste. Normal fees apply for brush and other green waste not in an appropriate bag. Residents should be prepared to show a driver's license or other proof of county residency.
