### **County confirms two new COVID-19 cases, 113 total**

**FOR IMMEDIATE RELEASE, JUNE 4, 2020:**

*NEW BRAUNFELS* — Comal County on Wednesday confirmed two new cases of COVID-19, for a total of 113.

The cases are New Braunfels residents in their 20s and 30s who are home-isolating.

The county also confirmed four recoveries from COVID-19, for a total of 86. With seven deaths, the county now has 20 active COVID-19 cases, five of them hospitalized.

As of Thursday morning, the Comal County Office of Public Health has received reports of the following test information:

- 3,321 tests conducted
- 113 positive tests
- 3,140 negative tests
- 68 results still pending

These numbers reflect all 1,435 nursing home tests conducted by members of the New Braunfels and Bulverde Spring Branch fire departments in May. One test was positive, and the rest were negative. The number of nursing home tests is 11 fewer than was initially reported.

In addition, 1,083 antibody tests have been performed at the Office of Public Health, with 12 positive results, indicating those people had contracted COVID-19 at some point in the past. Those numbers do not reflect the totality of antibody testing in the county, nor are all tests necessarily of Comal County residents.

Of the 113 confirmed COVID-19 cases in Comal County, the location breakdown is:

- 57 from New Braunfels or the immediate area
- 15 from north of Canyon Lake
- 13 from the Bulverde area
- 7 from eastern Comal County
- 5 from the Spring Branch area

- 4 from south of Canyon Lake
- 3 from Garden Ridge
- 3 from central Comal County
- 3 from southwest Comal County
- 2 from Fair Oaks Ranch
- 1 from Schertz

Information about COVID-19, as well as a list of county office reopenings and numbers to call for testing, is available at [www.comalcountytexas.com/covid19](http://www.comalcountytexas.com/covid19).

Residents with questions or concerns about the novel coronavirus can call the county's dedicated COVID-19 hotline, 830-221-1120, between 8 a.m. and 5 p.m. Monday through Friday.
