Comal County Public Health administered all allotted COVID-19 vaccines

FOR IMMEDIATE RELEASE, January 4, 2021:

NEW BRAUNFELS — After a full week of scheduled vaccinations, Comal County Public Health has administered its full allotment of Moderna’s COVID-19 vaccinations.

“Public Health has administered all COVID-19 vaccine allotted by the state and is currently out,” said Comal County Public Health Director Cheryl Fraser. “Please go to our County website to find information on who qualifies for the vaccine at this time as well as other locations that still have available vaccinations in Comal County.”

Fraser says once the Public Health Office receives its next allotment, the public will be advised through Comal County’s social media platforms and the County website.
