### **Comal County Earns Excellence in Safety Award**

**FOR IMMEDIATE RELEASE: April 27, 2023**

*NEW BRAUNFELS* — For the fifth consecutive year, Comal County has been awarded the Excellence in Safety Award from the Texas Association of Counties Risk Management Pool (TAC RMP).

This is the highest honor a county can receive from the TAC RMP for its commitment to safety.

To qualify for this award, Comal County must participate in TAC's Workers Compensation Program, have a safety program or accident prevention plan and have an active safety committee.

*“Work injuries and illnesses can affect every aspect of life for workers and their families. Safety isn't expensive, it's priceless,” said Human Resources Director Jerri Hettinger.*

Comal County is one of only 11 TAC RMP members to earn this award.

The County works to reduce employee injuries, which also results in savings for taxpayers by minimizing workers' compensation costs.
