

FERAL CAT TNR (TRAP-NEUTER- RELEASE) PROGRAM

FOR FERAL CATS ONLY!!

FERAL= Not friendly, unable to be petted

Cats will be picked up, get spayed/ neutered, get ear-tipped, receive a rabies vaccination and be released back in your area

- 1) Cats must be in a **live trap only**. Cats will not be picked up if in a carrier or any other type of cage.
- 2) Only 1 trip per house, per day. Up to 2 cats per visit.
- 3) Calls to pick up cats are Monday through Friday, 8- 3:30. They will not be picked up on holidays or weekends.
- 4) No nursing mothers
- 5) Kittens must be a minimum of 7 weeks old
- 6) All cats already ear-tipped will be immediately released from your trap at your location
- 7) If a cat/ kitten is found to be sick or not healthy enough to go through surgery, the cat/kitten will be humanely euthanized.

HSNBA (the Humane Society of the New Braunfels Area) is our holding facility.

Please visit HSNBA.org for more information about the TNR program.
