

If You Have Lost Your Pet.....

- Call us immediately, please have a picture ready to send to us
- If you have the Next Door App, we recommend checking to see if anyone has reported finding or seeing your animal, if not, posting you have lost your pet
- If you are on Facebook, or anyone you trust is, we recommend to do the same about checking/ posting on **Group for Comal County Lost and Found Dogs** (a page run by the public, not us)
- Call HSNBA (the Humane Society of the New Braunfels Area) report it to them
- **Check HSNBA.org, search their lost and found section EVERY day- HSNBA is our holding facility and they post daily all strays which come into the shelter**

When you find your pet, remember to **CALL OUR OFFICE** to remove it from our lost files
