

MEMORANDUM

TO: All Comal County Voters

FROM: Comal County Elections Office

DATE: June 23, 2020

Early voting for the July 14, 2020 Primary Runoff begins on June 29, 2020 (see our website, votecomal.com for locations, dates, and times). Our staff has the health and safety of our election officials and voters utmost in our minds. Our officials will have access to face masks, face shields, gloves, and hand sanitizer. We are providing a plexi glass shield on the qualifying table as an additional barrier along with sanitizing the Poll Pad after each voter is qualified. At ALL sites we will have social distancing with the floor markings. We are going to be following the guidelines of not having more than 5 voters in the actual voting area at a time. For the voters, we are recommending wearing face masks. We will provide hand sanitizer and multiple implements for the voter to have no contact voting. They will have their choice of finger cots or disposable stylus to sign in and then use either the disposable stylus or finger cot on Verity Touch to cast their ballot. After each voter cast their ballot, there will be an election worker to sanitize the voting equipment for the next voter. We are looking forward to a successful and SAFE voting experience for ALL.
