Section 12. Information Required by Section 3.009 of the Election Code.

(a) **District's Outstanding Debt.** As of the date of this Order, the District's aggregate principal amount of outstanding tax-supported debt was \$0 and the aggregate amount of outstanding interest on such tax-supported debt was \$0. As of the date of this Order, the District's total ad valorem tax rate is \$0 per \$100 of assessed valuation, which is made up of a maintenance and operations tax rate of \$0 per \$100 of assessed valuation and a debt service tax rate of \$0 per \$100 of assessed valuation of taxable property in the District.

(b) **Issuance of New Debt.** The District intends to issue the bonds authorized by the Propositions over a period of years in a manner and in accordance with a schedule to be determined by the Board based upon a number of factors, including, but not limited to, the then current needs of the District, demographic changes, prevailing market conditions, assessed valuations of property in the District, the use of variable rate debt and management of the District's short-term and long-term interest rate exposure. Market conditions, demographics and assessed valuations of property vary based upon a number of factors beyond the District's control, and the use of variable rate debt involves periodic adjustments in interest rates that vary based on market conditions and contractual

obligations. Therefore, the District cannot and does not guarantee a particular interest rate or tax rate associated with the bonds authorized by the Propositions. As such, the information contained in this paragraph is provided solely for illustrative purposes and does not establish any limitations or restrictions or create a contract with the voters. The District estimates that, based on the District's current taxable assessed valuation, current market conditions as of the date of this Order, and estimated future growth in the District's taxable assessed valuation, if all of the Propositions were approved and all of the bonds authorized by the Propositions were issued in accordance with the District's current projected plan of finance, the maximum interest rate on the bonds is not expected to exceed 6.00%.

(c) **Additional Information Required by Section 3.009 of the Code.** The additional information required by Section 3.009 of the Code is located in Sections 2 and 3 of this Order.

Section 13. Necessary Actions. The President of the Board or his designee, acting on behalf of the Board, in consultation with the District's attorney and bond counsel is hereby authorized and directed to take any and all actions necessary to comply with the provisions of the Code and the Voting Rights Act in carrying out and conducting the Election, whether or not expressly authorized herein, including making changes or additions to polling places or procedures to the extent required or desirable as determined by the County.

Section 14. Severability. If any provision, section, subsection, sentence, clause or phrase of this Order, or the application of same to any person or set of circumstances is for any reason held to be unconstitutional, void, invalid, or unenforceable, neither the remaining portions of this Order nor their application to other persons or sets of circumstances shall be affected thereby, it being the intent of the Board in adopting this Order that no portion hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness, invalidity or unenforceability of any other portion hereof, and all provisions of this Order are declared to be severable for that purpose.

Section 17. Effective Date. This Order shall take effect immediately upon its approval.

PASSED AND APPROVED the 9th day of February, 2024.
